

When We Go Silver

Words and Music by Carrie Newcomer

Capo2

G C G
Will you love me when we go silver
 D G
When our ears and noses get bigger
 G C G
When Arthritis starts to nag
 D G C G
And our best parts start to sag

G C G
Will you love me in reading glasses
 D G
Kiss my neck and still make passes
 G C G
And our grandchildren we'll scandalize
 D G C G
by holding hands and making eyes

CHORUS

 Em G
There is no real way of knowin'
 Em G
But if things keep goin' the way they're goin'
 Em G
I will promise you once again
G D C
I will be with you and we'll be the Best of Friends

Will you love me if I babble
Let me win sometimes at scrabble
Will you help me bare the load
And be somebody I'm still proud to know

Will I still be what you need
If I drive below posted speed
Lay down like spoons in quiet wonder
And love me years and days without number

There is no real way of knowin
But if things keep goin' the way they're goin'
I will promise you again
I will be with you and we'll be the Best of Friends

Will you love me when life hurts
Wake me up if I fall asleep in church
Sit beside me when evening comes
And count our blessing one by one?

There is no real way of knowin'
But if things keep goin' the way they're goin'
I will promise you again
I will be with you and we'll be the Best of Friends

Will you love me when we go silver.
